	Marks in IT: 87/100	Overall Percentage: 61.8%
2010	Rachana Vidyalyaya, Nashik	
	Percentage : 90	

Projects

DataMiner: A RAG Application facilitates communication with web pages and PDF content, extracting information and enabling user interaction with the extracted data. This tool is designed for researchers, content analysts, and anyone needing to process and interact with web and PDF content efficiently.
